Engagement-Driven Change:
Leadership Framework to Accelerate Adoption and Agility

29 April

Art Lashchonau

National Coach, Professional Scrum Trainer – Insight

Learning Objectives

At the conclusion of this session, attendees will be able to:

- Identify **actionable strategies** and **leadership approaches** to improve engagement across teams and experience levels.
- Apply a **practical framework** and tools to drive meaningful cultural change and foster innovation through engagement.

What is Engagement

The extent to which employees feel passionate about their jobs, are committed to the organization, and put discretionary effort into their work

The involvement and enthusiasm of employees in their work and workplace

The emotional and cognitive connection employees have with their organization, which influences their willingness to contribute to organizational success

Starting Point

Leadership Action

4C ENGAGE Framework

→

Engaged Teams

Managers influence ~70% of engagement outcomes

→

Increased Agility and Change Adoption

Engaged teams are 5x more likely to foster agility and innovation

4C ENGAGE Framework

Connect

Co-Create & Clarify

Cultivate

Celebrate

Connect

Build Relationships That Matter

Create a workplace where people feel valued, supported, and part of a cohesive team.

Connect: Leadership Strategies

+20%

Create Onboarding Program

Onboarding Buddy Program

+33%

Utilize Personal Connection Plans

Teammate Notes

+25%

Encourage Informal Connections

Monthly Connection Sessions

+30%

Facilitate Team Bonding

Team Challenge Day

Example: Buddy Program

People are the HEART of what we do and connections with others are key to strong and effective teammates, a happier and healthier workplace and improved retention. The Buddy Program is designed to partner new hires for their first 90 days with a dedicated teammate who can provide guidance and support, enhancing the on-boarding experience. This will ultimately improve the experience of every new teammate when starting their career with Insight.

Co-Create & Clarify

Define Purpose and Direction

Co-create and align roles, goals, and expectations to ensure everyone knows their purpose and how they contribute to the organization's vision.

Co-Create & Clarify: Leadership Strategies

+32%

Align on Vision and Goals

Vison Match Up

+30%

Apply Goals and Metrics Framework

OKRs, KPIs, Real-Time Platform

+34%

Co-Create Individual Goals

Three Wins Approach
